

## **Instructions to get to the house**

In Como take via Tomaso Grossi (the road going up to Brunate). (Follow the signs "Brunate").

Climb easy road for about 5 km ., passing the village of Garzola.

At the fork ignore the road on your right that leads to the village of Civiglio (Don't follow GPS indications!).

Turn on the left and continue until you reach the village of Brunate.

You'll arrive at a junction where the road becomes narrow: the road on the left leads into the town center and to the funicular, but you take the road on the right (beware sharp turn, required a maneuver), following the sign "B&B Villa al Sole". It is the way to Civiglio. Staying on the main road , follow it for 800 mt . Then you will find on the right the car park of the house. The house has the number 54. You're there. Bravi!
